

Options for Organizing and Governing Your Local Health Department

Sponsored by the Association of North Carolina Boards of Health
Presented by UNC School of Government

August 11, 2022

This training includes an overview of the different agency structures and governing board structures for local health departments allowed by North Carolina law. Topics covered include types of agency and governing board structures, powers and duties of different governing board structures, decisionmaking authority related to local health department employees, the composition of consolidated human services agencies, and the process for changing agency structures and governing board structures.
